

Toolkit Contents

The supplementary resources below can be used to complement the *EAL Assessment Framework*.

Assessment Framework Overview	At-a-glance A3 grid which gives practitioners an overview of the NASSEA steps and language progression.
Framework Summaries	Condensed version of the full descriptors, not broken down into skills. Practitioners may wish to use these to get a general view of where a pupil is at.
Descriptors	Essential to get a fuller and more accurate view of what the pupil can do and where s/he should go next.
Case Studies	Nine case studies, covering a range of EAL pupils at different key stages and with varying levels of language acquisition. Useful for moderation purposes with colleagues and also as a resource for training.
Case Study Guidance	Guidance to help practitioners use case studies for training purposes and for writing a case study.
NASSEA & CEFR Comparison Chart	Useful for understanding how the NASSEA steps relate to the CEFR.
Annotation Sheet for Writing	Template to help practitioners annotate a pupil's writing sample.
Sample Planning Grid	Template which may be used or adapted to support planning for EAL pupils.
