Language in Learning Across the Curriculum (LiLAC) (Secondary)

Teaching ESL students in mainstream classrooms is a comprehensive and innovative professional development course for educators seeking to extend their understandings about language and literacy. The course:

- develops teachers' understandings of the support English as a additional language (EAL) students need to be successful learners
- develops teachers' awareness of how to draw on the cultural and linguistic diversity and experiences of EAL students
- identifies the language-related needs of EAL students and develops teaching practices that address their needs in a holistic and explicit manner
- provides strategies, across the curriculum, for effective teaching and learning
- provides a positive context for teachers to trial suggested strategies and reflect critically and openly on their teaching
- underpins all strategies with an understanding of the role of language in learning
- develops collaborative working relationships between all teachers through a shared understanding of how to support EAL students
